TOWERS, ABUJA.

ABOUT NACCIMA

The Voice of Nigerian Business

The Nigerian Association of Chambers of Commerce, Industry, Mines and Agriculture (NACCIMA) is the foremost body of the organized private sector in Nigeria. Since its establishment in 1960, NACCIMA has served as the unifying voice of Nigerian business, bringing together city, state, sectoral and bilateral chambers of commerce, as well as corporate members, to create a nationwide network that spans every region and key sector of the Nigerian economy.

NACCIMA has branches and operations spread across over seventy (70) locations in Nigeria, including in all state's capitals, Abuja and in major cities. Through this extensive reach, NACCIMA speaks not just for large corporations, but also for the millions of Micro, Small and Medium Enterprises (MSME's) that form the backbone of Nigeria's economy. At the heart of NACCIMA's mission is advocacy and influence. We maintain a strategic presence at the highest levels of government and policy-making, consistently engaging on issues that affect the ease of doing business, taxation, trade policy, infrastructure, access to finance, and investment climate reforms.

NACCIMA also plays a critical role beyond Nigeria's borders, leveraging its membership in the Federation of West African Chambers of Commerce and Industry (FEWACCI), the Pan African Chamber of Commerce and Industry (PACCI), and the International Chambers of Commerce (ICC) to create vast business opportunities. In addition to advocacy, NACCIMA drives programs in trade promotion, capacity building, innovation, and investment facilitation, all designed to strengthen Nigerian businesses and create pathways for international investors. We organize trade missions, business forums, investment summits, and sector focused platforms that connect Nigerian enterprises with global partners.

NACCIMA is a strategic platform for influence, partnerships, and growth. Through its MoUs, role in Business Councils, and advocacy influence, NACCIMA opens doors to markets, reduces business risks, and ensures that Nigeria's investment environment evolves in line with global best practices. NACCIMA is not only shaping Nigeria's economic agenda—it is also ensuring that investors find a reliable, credible, and influential partner in Nigeria's private sector

HIS EXCELLENCY

President Bola Ahmed Tinubu GCFR

Expected Outcomes

- Increased private sector participation in infrastructure financing
- Expanded investment pipelines in power, gas, digital, and industrial infrastructure
- Stronger collaboration between regulators, investors, and project developers
- Enhanced policy alignment across infrastructure sectors
- Strategic partnerships supporting sustainable national development

ABOUT INFRA CON

Driving Nigeria's Infrastructure Transformation

INFRA CON 2026 is a premier high-level platform convened by NACCIMA to bring together policymakers, investors, development partners, and private sector leaders to address Nigeria's infrastructure deficit and unlock sustainable investment opportunities.

Infrastructure is the backbone of any thriving economy, serving as the foundation for prosperity, innovation, and sustainable development. It connects people and markets, enables the smooth movement of goods and services, and reduces the cost of doing business. With reliable transport systems, stable power supply, and efficient communication networks, nations are better positioned to unlock their full economic potential and drive inclusive growth.

For Nigeria, achieving its ambition of becoming a \$1 trillion economy by 2030 is closely tied to the strength and resilience of its infrastructure. However, the country continues to face a significant infrastructure deficit, which limits industrial competitiveness, job creation, and regional trade. To address this, the Federal Government developed the Reviewed National Integrated Infrastructure Master Plan (NIIMP 2020–2043), a comprehensive framework that outlines over \$2.3 trillion in investment needs across key sectors such as energy, transport, housing, water, agriculture, and ICT.

The NACCIMA Infrastructure Conference 2026 provides a strategic platform for stakeholders to engage, collaborate, and accelerate infrastructure delivery through effective PPP models. Bringing together policymakers, investors, and industry leaders, the conference will highlight investment-ready opportunities, identify priority projects, and drive actionable solutions to support Nigeria's journey toward a \$1 trillion economy.

THE CONFERENCE WILL CATALYSE

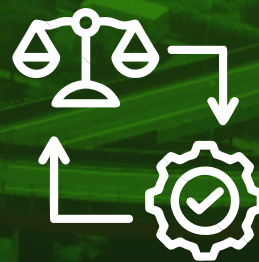

Public-Private
Partnerships (PPPs)

Infrastructure financing
solutions

Investment
deal flow

Policy alignment
and reforms

WHY PARTNER WITH INFRA CON

A Strategic Platform for Influence and Impact

KEY VALUE PROPOSITIONS

High-Level Visibility

Engage directly with Ministers, Governors, and top decision-makers

Access to Deal Flow

Connect with bankable infrastructure projects

Policy Influence

Shape national dialogue on infrastructure

Strategic Networking

Exclusive B2B and B2G matchmaking

Thought Leadership

Position your organization as a sector leader

SPONSORSHIP CATEGORIES AND BENEFITS

Platinum Partner
N50,000,000

Strategic Positioning:

Lead Partner of the Conference

Key Benefits:

- Sector exclusivity
- Logo placement on all Conference materials and media
- Speaking opportunity
- Prominent exhibition space
- Priority access to investment deal rooms
- Participation in Sub national and CEO-Investor Roundtables
- Dedicated media exposure and interviews
- Logo placement on NACCIMA website for 6 months
- 5 free access cards for conference
- 3 Invitation cards for dinner

Gold Partner
N20,000,000

Strategic Positioning: Sector or Thematic Partner

Key Benefits:

- Sponsorship of a Session
- Speaking opportunity during sponsored session
- Logo placement on Conference backdrops and publications
- Exhibition booth
- Participation in Sub national and CEO-Investor Roundtables
- Logo placement on NACCIMA website for 3 months
- 5 free access cards for conference
- 3 Invitation cards for dinner

Silver Partner
N10,000,000

Strategic Positioning: Sector Support Partner

Key Benefits:

- Logo placement on all conference materials
- Exhibition space
- Networking and B2B matchmaking access
- Logo placement on NACCIMA website for 3 months
- 5 free access cards for conference
- 2 Invitation cards for dinner

Bronze Sponsor
N5,000,000

Strategic Positioning: Official Supporting Organisation

Key Benefits:

- Logo placement on all Conference materials
- Access to networking sessions
- Logo placement on NACCIMA website for one month
- 3 free access cards for conference
- 2 Invitation cards for dinner

PARTICIPATION FEE

**Regular
Registration
N50,000**

**Group Registration
"3 and Above"
(20% Discount)**

CUSTOMISED PARTNERSHIP OPTIONS

Bespoke partnership packages can be designed to align with specific organisational objectives, including:

- Infrastructure Financing Partner
- Made-in-Nigeria Export Partner
- AfCFTA and IATF 2027 Readiness Partner
- SME and Industrial Cluster Development Partner
- Digital Economy and Innovation Partner

EXPECTED VALUE TO PARTNERS

- High-level brand visibility at a national flagship economic event
- Direct policy engagement and advocacy opportunities
- Access to curated investment and project pipelines
- Strategic networking with decision-makers
- Long-term partnership with NACCIMA on economic development initiatives
